SEEING BEYOND YOUR DATA

Capabilities Brief

CBEYONData®

Seeing information beyond your data

About Us

For the past 10 years, cBEYONData has provided value to government agencies through Business Automation solutions for the CFO's Office and end-user missions. We ensure our customers' analytical and reporting requirements are met through solutions such as financial reporting, external reporting, dashboards, analytics, visualizations, machine automation, and geo-integrations. We are committed to customer success, as demonstrated by our strong customer retention rates, execptional CPARS ratings, 95% employee retention rate and multiple industry awards.
